MEMORANDUM

TO: Osteopathic Physicians Selected for Random Audit
FROM: Hawaii Medical Board
SUBJECT: 2020 License Renewal/Continuing Medical Education ("CME") Random Audit

LICENSE RENEWAL

The Hawaii Medical Board ("Board") would like to advise you that osteopathic medical licenses expire on June 30, 2020, unless renewed. In order to renew, osteopathic physicians must meet the CME requirement as described on subsequent pages of this memorandum.

RANDOM AUDIT

By law, the Board may conduct a random audit to determine whether the CME requirement has been met. Through a computer-generated program, you have been randomly selected for participation in the Board's audit. To this end, you are being asked to provide CME documentation when you renew your license.

RENEWAL APPLICATION

In May 2020, you will receive a notice of renewal. Because you are being audited and required to submit documentation of CME with your renewal application, **you will not be able to renew online. Instead, please follow the instructions below:**

TO RENEW

1. Complete the enclosed renewal application; and
2. Submit your completed renewal application, renewal fee and CME documentation to the Hawaii Medical Board, P.O. Box 3469, Honolulu, HI 96801.

DO NOT SUBMIT THE ITEMS SEPARATELY AS IT WILL CAUSE A DELAY IN YOUR RENEWAL.

WAIVER/MODIFICATION OF CME

If you have not met the CME requirement, the Board is able to waive/modify the requirement if you:

- Practice in an isolated geographical area with an absence of opportunities for CME; or
- Are unable to devote sufficient hours to CME because of incapacity, undue hardship, or any other extenuating circumstances

REQUEST FOR WAIVER/MODIFICATION OF CME

If the foregoing applies and you wish to request a waiver/modification, you may renew your license by **submitting (in one envelope) your completed renewal application, renewal fee and an affidavit,** which:

- Requests a waiver/modification of the CME requirement;
- Provides an explanation as to why you were unable to meet the CME requirement; and
- Is notarized.

PLEASE NOTE: The Board has determined that if a waiver/modification is granted, the licensee will be required to submit 80 hours of CME for the next renewal period.

RENEWAL DEADLINE

The deadline to renew is **June 30, 2020**. However, to ensure that your license is renewed on/before that date, we strongly encourage you to renew as early as possible due to the anticipated volume of renewals. Effective April 18, 2019, you must retrieve and print your pocket ID card and wall certificate via your MyPVL account. No other notice will be provided. To establish a MyPVL account, please go to: <https://pvl.ehawaii.gov/mypvl>.

Thank you for your kind attention to this matter. If you have any questions regarding this memo, please call the Board's office at (808) 586-2699, between the hours of 7:45 a.m. – 4:30, p.m., Hawaiian Standard Time.
