Contractors Examination Summary

2024 Legislation Relating to Contractors

H.B. 1633

Removes the leasing restriction on owner-builders who obtain an owner-builder exemption to act as their own general contractor.

Relating to Construction Defects

S.B. 2340

Provides a timeframe for a claimant to accept a contractor's proposal to inspect an alleged construction defect. Provides a timeframe for a claimant and contractor to agree to the date of the inspection. Provides a timeframe for a claimant to accept a contractor's offer to repair or settle. Limits the remedies for a claimant who unreasonably rejects a contractor's proposal to inspect or offer to repair or settle, or both.

Relating to Relating to Electric Utility Lineman

H.B. _____

Beginning 1/1/2027, establishes licensing requirements, including minimum standards and qualifications, for journey worker electric utility linemen and expands the board of electricians and plumbers to include members engaged in electric utility work. Sunsets the original limited exemption from licensing requirements for qualified electricians that was originally enacted by Act 65, SLH 2013, and extended pursuant to Act 60, SLH 2018.

Relating to Procurement

a. H.B. 536

Amends the competitive sealed bidding process for construction projects to require joint contractors and subcontractors to submit their bids to a bid depository established under DCCA. Authorizes joint contractors and subcontractors to submit different bids to different general contractors bidding on the project. Requires all bids submitted by joint contractors and subcontractors to be held in the bid depository and withheld from the general contractors until twenty-four hours before the closing of the invitation for bids. Requires general contractors to use only the bids timely submitted by joint contractors and subcontractors to the bid depository in their construction bid and imposes fines for violations. Requires DCCA to adopt rules specifying how the bid depository shall operate.

b. H.B. 542, H.D. 2

Allows bidders to clarify or correct immaterial or technical information required as part of a bid submission for up to twenty-four hours after the bid submission deadline. Requires that bids for construction be opened no sooner than twenty-four hours after the deadline for the submission of bids. Defines "immaterial or technical information". Repeals 6/30/2026. Effective 6/30/3000.
