Instructions to attend State of Hawaii virtual board meetings may be found online at <https://cca.hawaii.gov/pvl/files/2020/08/State-of-Hawaii-Virtual-Board-Attendee-Instructions.pdf>.

1. Establish Quorum, Public Notice, Call to Order, HRS §92-3 Open Meetings and HAR §16-115-11 Oral testimony
2. Approval of the Open Session and Executive Session Minutes of the April 11, 2024 meeting

The Board may move into Executive Session in accordance with HRS §92-4 and §92-5(a)(1) and (4) "To consider and evaluate personal information relating to individuals applying for licensure;" and "To consult with the Board's attorney on questions and issues pertaining to the Board's powers, duties, privileges, immunities, and liabilities."

3. New Business

- a. Presentation from the Regulated Industries Complaints Office (“RICO”) Regarding the Disciplinary Process for Administrative Boards
- b. Consideration of “decoupling” the experience requirement to sit for the Principles and Practice of Engineering (“PE”) exam, Principles and Practice of Surveying (“PS”) exam, and Landscape Architect Registration Exam (“LARE”)

Under current Hawaii Administrative Rules (“HAR”) §16-115, applicants who wish to sit for the PE, PS, or LARE exams must meet the respective experience requirements. The Board will discuss “decoupling” the three exams, which would allow individuals with an appropriately accredited degree to register directly with the testing administrators to sit for the exams without submitting an application with the Board for exam approval. Individuals would still have to meet the lawful experience requirements for licensure. The ARE exam for architects is already decoupled pursuant to HAR §16-115-54(b)(3).

- c. National Council of Examiners for Engineering and Surveying (“NCEES”) Western Zone Meeting – Report from Attendees

Board members Dan Hirota, Tony Lau, and Clayton Pang represented the Board at the NCEES Western Zone meeting in Bozeman, Montana from May 16-18, 2024.

- d. United States & United Kingdom Mutual Recognition Agreement between NCEES and the UK Engineering Council

The Board will discuss the draft of the US-UK MRA between NCEES and the UK Engineering Council. The MRA provides that someone on the U.K. register is substantially equivalent to someone on the U.S. register and vice versa – P.E.s on the NCEES international register will qualify for licensure as a CEng in the United Kingdom; CEngs on the EngC international register will qualify for licensure as a P.E. in a U.S. jurisdiction that participates in the MRA.

4. Applications

The Board may move into Executive Session in accordance with HRS §92-4 and §92-5(a)(1) and (4) “To consider and evaluate personal information relating to individuals applying for licensure;” and “To consult with the Board’s attorney on questions and issues pertaining to the Board’s powers, duties, privileges, immunities, and liabilities,” (Board will vote in Open Meeting).
