A. SB 1373 Relating to Administrative Licensure Actions Against Sex Offenders

Authorizes the Department of Commerce and Consumer Affairs and certain licensing boards to automatically revoke and refuse to renew, restore, or reinstate the professional licenses or certification of registered sex offenders. (CD1)

7. Scope of practice question

Question: We have been asked to do pre-work screening for several unions. These screenings are as like functional capacity evaluations. Which entails to but not limited to:

1. Lifting weighted crates- per job requirements- to waist level, to shoulder level, overhead
2. Treadmill assessments- with vital assessment
3. Checking ROM, MMT
4. Grip strength assessment.
5. Squatting, kneeling,

Our assumption is this is in our practice act as a Physical Therapists. These assessments are direct from the companies/unions themselves vs from MD.
